

Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

For Highmark Delaware and Aetna members, the SBC is available on SBO's website at de.gov/statewidebenefits. A paper copy is also available, free of charge, by calling 1-800-489-8933.
